BrandSafway Acquires Gerüstbau Muehlhan GmbH

Expands scaffolding and access solutions capabilities in Germany

KENNESAW, Georgia; *Oct. 1, 2021* – In a move to expand its scaffolding and access capabilities in Germany, BrandSafway is announcing the acquisition of Hamburg-based Gerüstbau Muehlhan GmbH, effective Oct. 1, 2021. Gerüstbau Muehlhan, formerly owned by Muehlhan AG, is a full-service scaffolding provider and offers the design, installation and dismantling of scaffolds for customers in various end markets.

“Gerüstbau Muehlhan is a great addition to our company," says Gabriel McCabe, president of the International Division at BrandSafway. "Gerüstbau Muehlhan’s proven expertise and emphasis on excellence in customer service, together with its strong reputation in safety, will further strengthen our market position in Germany. It is also a step toward diversifying and expanding into other end markets in the commercial, renewable energy and shipbuilding sectors."

Gerüstbau Muehlhan has been renowned for more than 45 years as a specialist in advanced scaffolding solutions. The company has a long-tenured leadership team, which is well-known in the industry, and is committed to the highest quality and safety standards. It has three locations in Northern Germany: Hamburg, Bremerhaven and Brunsbüttel.

BrandSafway has been operating in Germany since 2012, under the name Brand Energy and Infrastructure Services. With headquarters in Ratingen, Western Germany, and numerous locations on customer jobsites, Brand Energy & Infrastructure Services has experienced dynamic growth and serves customers in various industrial end markets, especially in the chemical, pharmaceutical, energy, food, and steel market sectors.

Hünnebeck GmbH, another BrandSafway company with headquarters in Germany, provides innovative formwork and shoring solutions for construction projects in many European markets. Additionally, Hünnebeck offers a broad range of project-related rental services and safety solutions for construction sites.
